

REQUEST LETTER FOR HOSTING A GLOBAL LECTURE

01 November 2022

Dear Sir/Madam,

The Grassroots Institute aims to undertake education, capacity building, action research, strengthen human development initiatives and take appropriate grassroots field action to empower marginalized communities. More details of our institutional functions are available on www.grassrootsinstitute.net. Our innovative initiative, “**Global Lectures, Local Impacts**”, is to spill over the unique expertise, knowledge, experience and views of key professors, scholars, experts and activists so that a global audience (students, teachers, researchers, scholars, field practitioners, professionals and other interested people from universities, colleges, organizations and other constituencies) can benefit and use it. Kindly read more about this initiative at: <https://www.grassrootsinstitute.ca/gli>

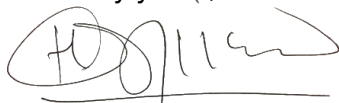

All the lectures are contributed by experts and professors and are available for FREE to be attended by anyone. If someone attends minimum 3 lectures, we will issue a Certificate of Attendance to such person mentioning those 3 lectures. This Certificate will be issued in PDF copy in December 2022 and will be given FREE (no fee). In case, someone attends more than 3 lectures, additional 3 lectures may be mentioned in the same Certificate, but for more than 6 lectures we need to issue second Certificate mentioned all those extra lectures. All these Certificates will be issued free.

We are inviting relevant Departments and Faculties of various universities, colleges or institutes from different countries to be the Host Institutions for any one or more lecture(s). The Chart of November Series of the global lectures is attached for your reference. The logo of each Host Institution will be placed on the webpage of the lecture, and the logo will be linked with the website/webpage of the Host. Please see a sample page <https://grassrootsinstitute.ca/gli/agricultural-extension-in-the-new-normal.html>. Your Department or Faculty or University will get enhanced visibility in this way without any financial cost. The only condition is that you will be required to mobilize minimum 9-10 attendees for each lecture you will host. All the attendees will receive Certificate of Attendance as explained preceding paragraph. Therefore, if you are interested to host any one or more lectures, please send your Consent by email or by a letter on your letterhead, along with logo and website link.

Looking forward to hearing from you as early as possible.
